

2010-2011 Careers Events and Student Internship Calendar

➤ CAREERS DAYS *To target students in your specific field of expertise.*

If you have internship or job opportunities that relate to a particular industry or expertise, presenting them on the appropriate Careers Day is the right choice for you. All Careers Days revolve around one theme only, and are attended by students wanting to work in that particular field of activity. Taking part in one of the specific careers days also increases your company's visibility as an industry expert.

- **Finance Careers Day** October 11, 2010
- **Consulting Careers Day** November 4, 2010
- **Luxury Careers Day** November 25, 2010
- **International Careers Day** December 2, 2010 *(to promote internships and job offers located outside of France)*

➤ CAREERS FORUM *To promote your company while gaining maximum exposure to our students.*

The Careers Forum annually gathers over 100 companies from all activity sectors over a 3-day period in January. If you want to expose your job and internship offers to as many students as possible, regardless of the area in which they aim to work or the programme they attend, then this is the right event for your company.

- **Careers Forum** January 17 to 20, 2011

➤ TAILOR-MADE SOLUTIONS *Events set up to meet your specific needs.*

If your needs require a solution that allows you to meet with (a pre-selected group of) students of your choice exclusively, in a formal or informal setting, then our tailor-made solutions can be an option:

- **Corporate Discovery Day:** offering you exclusive access to students for interview simulations, theme-based workshops, business competitions or any other initiatives you may have to promote your company.
- **Corporate Discovery Session:** a session to meet with students for an open discussion on any theme, possibly followed by interview sessions
- **Corporate Discovery Lunch / Breakfast /Cocktail:** pre-select the group of students you want to meet over breakfast, lunch or a cocktail

➤ EXPERT PANELS *Highlight your experience in your core competences. (On invitation only)*

All year-round, EMLYON organises expert panels for students to learn more about a particular topic from the business world. For partner companies exclusively.

- **Bank Finance / Internal Auditing & External Auditing / Marketing** Session 1, September 30, 2010
- **Corporate Finance / Purchasing / Consulting/ Business development** Session 2, February 24, 2011
- **Culture & Sport / Law / Human Resources / Project Management** Session 3, April 14, 2011
